

# Parking Information for Pier Avenue Baptist Church

## From the A133 route into Clacton-on-Sea.

Arriving in Clacton on London Road it changes to Wellesley Road and at the first roundabout continue on through and about 100 meters along the road there is a large Car Park sign on the LHS pointing to the car park entry on the RHS.

The entrance is narrow and hidden between the detached houses on either side. If you miss it there is a roundabout at the end of the street, you can turn and come back for entry on the left.

Park up and find the Pay & Display parking machine – Pay by Phone is also available.

When parked up head for the corner of the park on the south side where you will find a small path – marked 'To the Shops' which will bring you out onto Pier Avenue directly opposite the Baptist Church. See the Map on reverse.
